

July Calendar Dates 2010

These dates are taken from the 2010 National Health Observances, National Health Information Center, Office of Disease Prevention and Health Promotion, U.S. Department of Health and Human Services, Washington, D.C. and other state and federal offices.

For more information on some dates refer to the *Health Observances and Recognition Days: 2010 Calendar*. This booklet contains dates and descriptions for health observances and some contact information. This is available from the Society for Healthcare Strategy and Market Development. To order, check out the American Hospital Association website at www.ahaonlinestore.com

The information in this calendar does not represent the opinions or views of the Illinois Hospital Association or its staff.
